

## RIIMPO321F - Conduct civil construction wheeled front end loader operations

This training course will develop the participant's skills and knowledge required to conduct wheel loader operations. This training course applies to those who work in operational roles or are looking for employment within an operational role.

This unit alone does not provide sufficient skill to independently load and unload equipment. To perform this activity safely, personnel must either complete or be assisting someone who has completed **RIIHAN308F Load and unload plant** or equivalent.

Within this course candidates will learn how to:

- + select and wear personal protective equipment required for work activities
- + apply safe work practices, identifying and reporting all potential hazards, risks and environmental issues
- + apply problem solving and troubleshooting techniques when operating equipment
- + monitor and manage equipment performance using indicators and alarms
- + identify common equipment faults
- + apply levelling techniques
- + establish weight of load
- + select and use the required tools and equipment
- + use a range of communication techniques and equipment essential to the safe completion of work activity, including hand, audible and other signals
- + organise work activities

To achieve competency the candidate is required to successfully complete a practical assessment and demonstrating sufficient performance and knowledge evidence. Participants should have sufficient numeracy and literacy skills to read and comprehend instructions.

Training and Assessment will occur in a workplace operational situation or, where this is not available, in simulated workplace operational situations that replicate workplace conditions.

**Cost:** Varies, please contact us for more information.

**Course Date:** Scheduled periodically, and on request.

**Delivery Mode:** Internal Delivery. Theory and practical assessment.

**Duration:** Determined on the experience and knowledge of candidate.

**Location:** Arranged to be conducted at appropriate workplace site, or at RTV Training facility.

**Outcome:** Upon successful completion the candidate will be awarded a Statement of Attainment for **RIIMPO321F - Conduct civil construction wheeled front end loader operations**
