Subject: Resignation from The Quays Committee

Hi all,

As previously mentioned, now that the AGM is completed, I am resigning from my position on The Quays committee. With my work, travel and family commitment I don't have the spare time or energy to continue on the committee in a meaningful way.

I have served on the committee now for two years and we have achieved quite a lot in that time. It has been a pleasure dealing with you all and The Quays is in good hands with Ben, Jess and Stansure on board.

I would recommend you contact and consider Karli Moulston misskt650@gmail.com as a replacement as she seems like a detailed and considerate lot owner. I spoke to her after the AGM and she seemed interested in joining the committee.

See you around the neighbourhood!

Regards,

Darren

Subject: Resignation

Hi all

I have decided to resign from the Quays committee effective immediately, I feel very honoured to have worked with such a great lot of hard working people and friends, we have overcome difficulties and with Darren's leadership made fantastic improvements in the overall maintenance of the Quays. I have asked Victor Bowman in Central Place to take my place and I am sure he would be very good if he decides to join the committee.

I am happy to continue to help in any way I can.

Regards
Chris Mathew

Subject: Resignation - Jock Alexander

Hi everyone,

We have sold our property at 3007 The Boulevard and so I must resign my position as Secretary of QBC. It has been a wild but interesting ride and I wish those remaining on the committee all the best for the future. The appointment of Stansure for two more years, and an increase in ELR's tenure of an additional 5 years has certainly given the Quays some very firm ground from which to move forward.

All the best,

Jock Alexander
